

Key solutions for urban mobility

19th EPA Congress and Exhibition

18-20 September 2019

Palacio de Ferias y Congresos de Málaga

www.epacongress.eu

Welcome to 19th EPA Congress Website:

www.epacongress.eu

EPA Congress is unquestionably the most important international parking and mobility event in Europe.

EPA together with ASESGA, the Spanish Parking Association who will be hosting the event, is making every effort to ensure the Congress is a worthwhile, enjoyable and a memorable event.

Your organization's presence at the congress is an opportunity to leverage several days of unparalleled access to a wide potential client base, to inform them about your products and services and build long-term relationships.

Save the date!
