4. General conditions

All activities organized by companies involving participants in the meeting must be approved by EPA. Distribution of drinks and meals must be in compliance with rules of the meeting venue. The EPA Office can be contacted for more information on this, and to help coordinate catering.

EPA may accept multiple sponsors for the items listed in the sponsorship opportunities, unless otherwise indicated. EPA may modify the meeting programme without notice. Sponsors will make sure to follow the rules and regulation of EPA and of the Square Brussels Convention Center.

5. Assignment of exhibit space and workshop timeslots

Space and timeslots will be allocated on a first-come first-served basis – taking into account the time when the EPA Office receives the signed sponsorship booking form.

6. Promotional and booth activities

No sponsor may operate in a way that violates the rights of another sponsor. Exhibits must not project beyond the space allocated and may not obstruct the view or interfere with the traffic of other exhibits. All exhibits are to be conducted in a dignified manner. No soliciting of attendees in the aisle or any high-pressure sales pitch of any kind is permitted. Demonstrations and the distribution of literature and samples should take place inside the assigned booth. Any demonstrations at your booth that emit sound must be stopped immediately if deemed disruptive to other sponsors in the hall. Booths are to be kept clean and in good order. No part of any exhibit, or signs relating the-

reto, shall be posted, nailed or otherwise attached to columns, walls, floors or other parts of the facility, in any way. Damage arising from failure to observe these rules shall be payable by the sponsors. Sponsors' promotional activities are confined to the actual booth space purchased, or in areas approved by the EPA.

EPA reserves the right to refuse rental of exhibit to any company whose display of goods or services, in the opinion of EPA, is not compatible with the general character and objectives of the meeting. Demonstrations, samples, materials and sales activities (taking orders for future fulfilment) are permitted only within the confines of a sponsor's rented space or after approval by the EPA organizing secretariat. Samples or souvenirs may not be sold and may not be distributed in a manner which, in the sole and exclusive judgment of EPA, blocks the aisles or in any way handicaps other sponsors or impairs the flow of attendees. No sales transactions are allowed on the exhibition hall floor; however, sponsors are permitted to take orders for future fulfilment.

7. Sound

Exhibits which include the operation of musical instruments, radios, sound projection equipment, or any noisemaking machines must be conducted or arranged so that the noise resulting from the demonstration will not annoy or disturb adjacent exhibitors and their patrons, nor cause the aisles to be blocked. Operators of noisemaking exhibits must secure approval of operating methods before the exhibit opens. MCI Benelux on behalf of EPA shall be the sole judge of what constitutes appropriate sound levels.

8. Irregular Activities

All giveaway items with the exception of plastic bags, pens, pencils, luggage tags, pocket calendars, and the exhibitor's product must be submitted for approval to EPA three (3) weeks prior to the opening of the exposition. All exhibitors distributing approved "stick-ons" may not place the "stick-ons" on the attendees' badges.

9. Contests/giveaways

As long as consistent with applicable country and local laws, prize contests and drawings are permissible. Notice of any contests, giveaways or drawings must be given to the EPA office in writing on or before 1 April 2021. Any prizes, draws or giveaways held or offered through the meeting must be made available to all registered attendees and guests. Notification of winners is the sole responsibility of sponsors. Microphone announcements are not permitted on the booth.

10. Changing/expanding booth space

EPA is not responsible for contacting sponsors to change booth spaces if desired booth space is already taken by another sponsor. It is the responsibility of the sponsor requesting the additional space to contact the other sponsor to request a change and provide notification in writing to the EPA Office. This does not apply to original booth assignments, as it is EPA's policy to call sponsors for alternative booth selections if their choices are not available. As indicated on the floor plan, booth assignments may be subject to change.

11. Photography/videotaping

Photography (including camera enabled cell phones), videotaping or examining another sponsor's equipment or display without that sponsor's permission is forbidden.

Non-sponsors or representatives of non-exhibiting companies may not canvass or solicit business in any part of the exhibition area during the entire meeting.
